

Terms of Service

These Terms of Service ("Terms") govern your access to and use of **AntiScam Monitor**, available at <https://antiscamonitor.com/> and <app.antiscamonitor.com> (together, the "Service"), operated by **Duronis d.o.o Belgrade** ("Duronis," "we," "us," or "our"), a company registered in the Republic of Serbia.

By creating an account or otherwise using the Service, you agree to be bound by these Terms. If you do not agree, please do not use the Service.

1. What AntiScam Monitor Does

AntiScam Monitor is an informational platform that helps users evaluate crypto tokens by analyzing publicly available blockchain ("on-chain") data and, where voluntarily provided, information submitted by project teams. The Service generates:

- A **Trust Score** (0–100) across 9 categories (smart contract security, tokenomics, vesting, wallet analysis, on-chain behavior, market, team & transparency, governance, and community);
- A **Monitor Grade** (0–10), reflecting the health of 10 continuously tracked on-chain metrics;
- **Risk Flags** and a **Risk Level**, indicating detected red flags such as honeypots or hidden owner functions;
- A **Price Impact Calculator**, which simulates hypothetical price scenarios based on user-provided or displayed parameters.

All scores, flags, and metrics are generated automatically based on a defined, published methodology. **They do not represent Company personal opinion, endorsement, or condemnation of any project, token, or team.** See our separate Disclaimer for more detail.
